ANDERSONIAN

1947

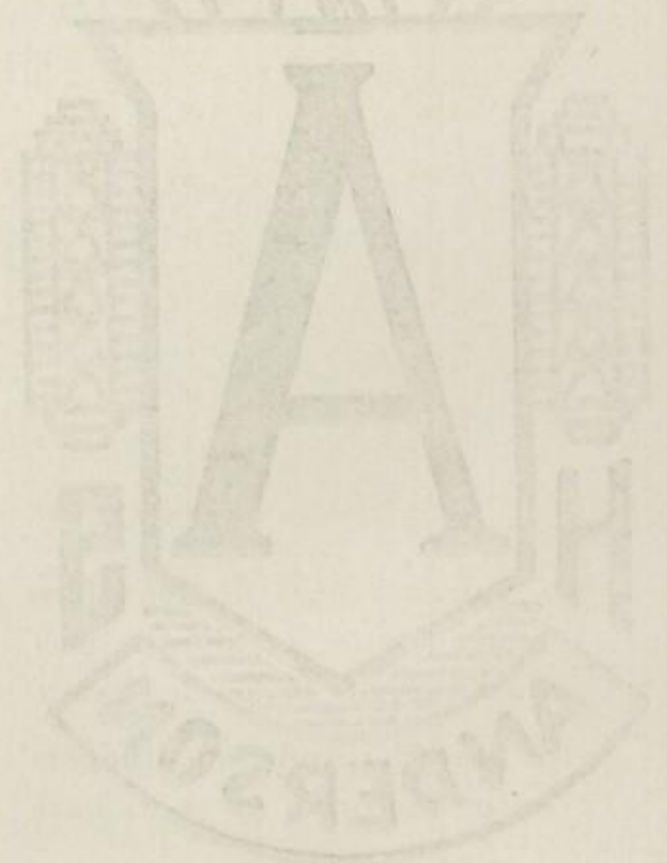

Foreword

Our high school years have been darkened by the perils of war and strife. Our task as we leave our Alma Mater is to build a bright and happy world for all mankind.

Hope won't turn the trick. We, the classes of the present are the hope for tomorrow. A great task lies before us, but with the spirit of Anderson behind us, we can do much. Let us have faith that right makes might and in that faith let us dare to do our duty to the end. Let us link the best of the past with the better things of the present and thus enrich the lives of those who shall claim the future.

So we, the Class of 1947, look forward and strive
"Always Toward the Higher."

For her high degree of work, her untiring fidelity towards Anderson, her ever ready advice for all who need it and her constant love of helping other people, we, the Class of '47, do dedicate our yearbook to Miss Betty Mathis.

May the Anderson students who have the honor of being in her classes benefit and enjoy the privilege as we have.

"A Message To Garcia"

Lieutenant Stephen Rowan of the United States Army at the time of the Spanish American War carried a message for President McKinley to General Garcia, who was somewhere in the fastnesses of Cuba. He did not question President McKinley about why he was selected or how he was to accomplish the feat but set out to plan for himself the details that would complete the task successfully.

The important thing in this event was not what Rowan did, but rather how he did it. Then, more important than either of these things, is the effect of the initiative shown by Lieutenant Rowan upon all who hear the story.

Lieutenant Rowan's form should be cast in deathless bronze and the statue placed in every high school and college in the land. It is not book learning young men need, nor instructions about this and that, but a stiffening of the vertebrae that will cause them to be loyal to a trust, to act promptly, to concentrate their energies, to do the thing—"Carry a Message to Garcia."

History

One bright morning in 1935 a group of us children were preparing to go to school for the first time. We were all excited and happy (young and inexperienced) to have the privilege of going to school. However this feeling passed after the first two years.

The first and second years passed swiftly, but in the third we were introduced to one of the miseries of life, namely, the multiplication tables. The boys, however, learned something else; they learned to help the girls take off their leggings.

The fifth and sixth grades were about the same. We were on the second floor now and had four teachers. Dodging one teacher was hard enough, but can you imagine trying to dodge four at once? Well, we soon learned that we could not win.

A tour of the city was planned and carried out in the seventh grade. We went to the Art Museum, Natural History Museum, the Zoo, and to the Conservatory. A similar trip was planned in the eighth grade but because of World War II these plans were cancelled. We were kept busy learning the Presidents of the United States, memorizing the *Preamble to the Constitution*, and working for the eighth grade state exam.

After an impressive (ha-ha) initiation by the Sophomores we were ready for high school. Changing of classes, D.T.'s and schedules confused us at first, but by the time we were Sophomores, we were very dignified. We dropped our dignity long enough to initiate the Freshmen.

The Junior year brought the phrase "upper classmen." Oh, how we loved it! Our class play, "A Mind of Her Own," was given with great success. We also bade farewell to the Seniors with a banquet and a dance.

Well, eleven whole years of school have passed, and now we are in our last year. With the knowledge we have acquired, we will leave our Alma Mater, but we will never forget her.

The Sophomores entered the new school term with a mingled feeling of joy and fear of the future. There was joy because they were no longer the inexperienced underclassmen of a year ago, and there was fear because they did not know what the future months were to hold. However, as the months advanced, their courage grew. A Freshman-Sophomore Dance was given, preceded by a hilarious initiation. The class has left a successful and wisdom-endowed year behind them and are looking forward to another year of this type. The advisors were Miss Mathis and Miss Graham.

Freshman Class

This year the Freshmen Class advisors were Mrs. Minder and Mr. Tucker. The class was the largest ever to enter Anderson, consisted of ninety-four members.

The Freshmen were very active in sports and also participated in many club activities. Many of the girls and boys joined Y-Teens and Hi-Y, respectively. The Freshmen also enjoyed the Freshmen-Sophomore Dance, given by the Sophomores in honor of the Freshmen at the beginning of the year.

The Student-Faculty Council

This year, for the first time, the students have had a part in the formation of rules and laws concerning themselves and their school. They have had a chance to learn a little of the way our government is run by watching the Student-Faculty Council in action. Although the council was only on trial this year, its work was considered to be satisfactory.

The members were chosen by vote. The Senior and Junior class each had two votes. They were to elect a boy and a girl to represent them. The Sophomore and Freshmen classes had one vote apiece. They were to choose a boy or a girl to represent them in the coming year. The two representatives of the faculty were Miss Vera Nash and Mr. Richard Herron.

Few know how an annual grows. When they considered the high prices of materials and the low funds of the Senior Class, the faculty shook their heads with concern. However, the Seniors decided to have a year book, and set about the task of raising the money. Football games became a source of funds, through the large crowds who desired refreshments. Tax stamps were collected and annual ads were sold. Under the leadership of an energetic and capable staff, the annual was composed and sent to press. The Seniors heaved a sigh of relief when the book was finished. We hope you enjoy reading our annual as much as we have enjoyed making it.

“Lantern”

Miss Mathis and her staff of experienced writers reported, with clarity and truth, the news of interest around Anderson. The “Lantern,” a printed paper, has encouraged young writers to display their talents and to improve their literary style. Spirited editorials have influenced students opinion and have helped to develop that morale which is so typical of Anderson.

Some of the activities in which the boys participated were: swimming parties, moving pictures, athletic tournaments, group discussions, and lectures by guest speaker. The boys also helped the Y-Teens with their white gifts for the needy families at Christmas.

A new Beta club was formed consisting of sophomores and freshmen. Mr. Harold Maddux, last year's Hi-Y advisor, has taken over the advisorship of this new club.

Y-Teens

The name of Girl Reserves was changed officially throughout the nation to "Y-Teens". This name was chosen because it explains just exactly what age group is included in the club and the "Y" designates that we are affiliated with the Y.W.C.A. The purpose and ideals of Girl Reserves have not changed with the changing of the name.

The membership of "Y-Teens" this year was so high that the club was divided into Gamma and Delta Chapters.

The program for the year included many well known speakers who spoke on such subjects as music, vocations, and human relationships.

Girls' Chorus

Once again the Girls' Chorus has been under the capable direction of Miss Dorothy Vandervort. This year, the membership of the club reached an all time high with approximately seventy-five girls.

The girls sang at a joint P. T. A. meeting held at the Y.W.C.A. in Cincinnati. They also sang before an attentive audience during the Community Institute; and presented an interesting program for the Christmas assembly. They wished the Seniors farewell in a beautiful Baccalaureate Service at the close of the year.

Football

The 1946 football season was the best that Anderson has ever completed. The Redskins scored 248 points against their opponents 76. Our boys played in style this year as six of their seven games were at night and three of these were at home.

The first football homecoming ever to be held at Anderson was held October 25, when our Redskins downed Glendale 41 to 0.

The first game of the season was an afternoon game played at Colerain in which our boys won 34 to 7.

The second game was played at home where our boys played host to Mt. Healthy. This was the second victory as the Redskins won 33 to 6.

The third and fourth games were also played at home in which our boys won again. Loveland was downed 34 to 6 and Glendale met defeat 41 to 0.

The fifth game was played at Madeira. The Redskins added another victory as they downed the Mustangs 45 to 8.

Terrace Park and Anderson were tied for the eastern league championship up until November 2, when our boys lost to the Bulldogs 14 to 27.

The following week our boys defeated Colerain, at Madeira for third place in the county.

John Steele was again outstanding for the Redskins as he scored sixteen touchdowns to tie his previous record which he set when he was a freshman.

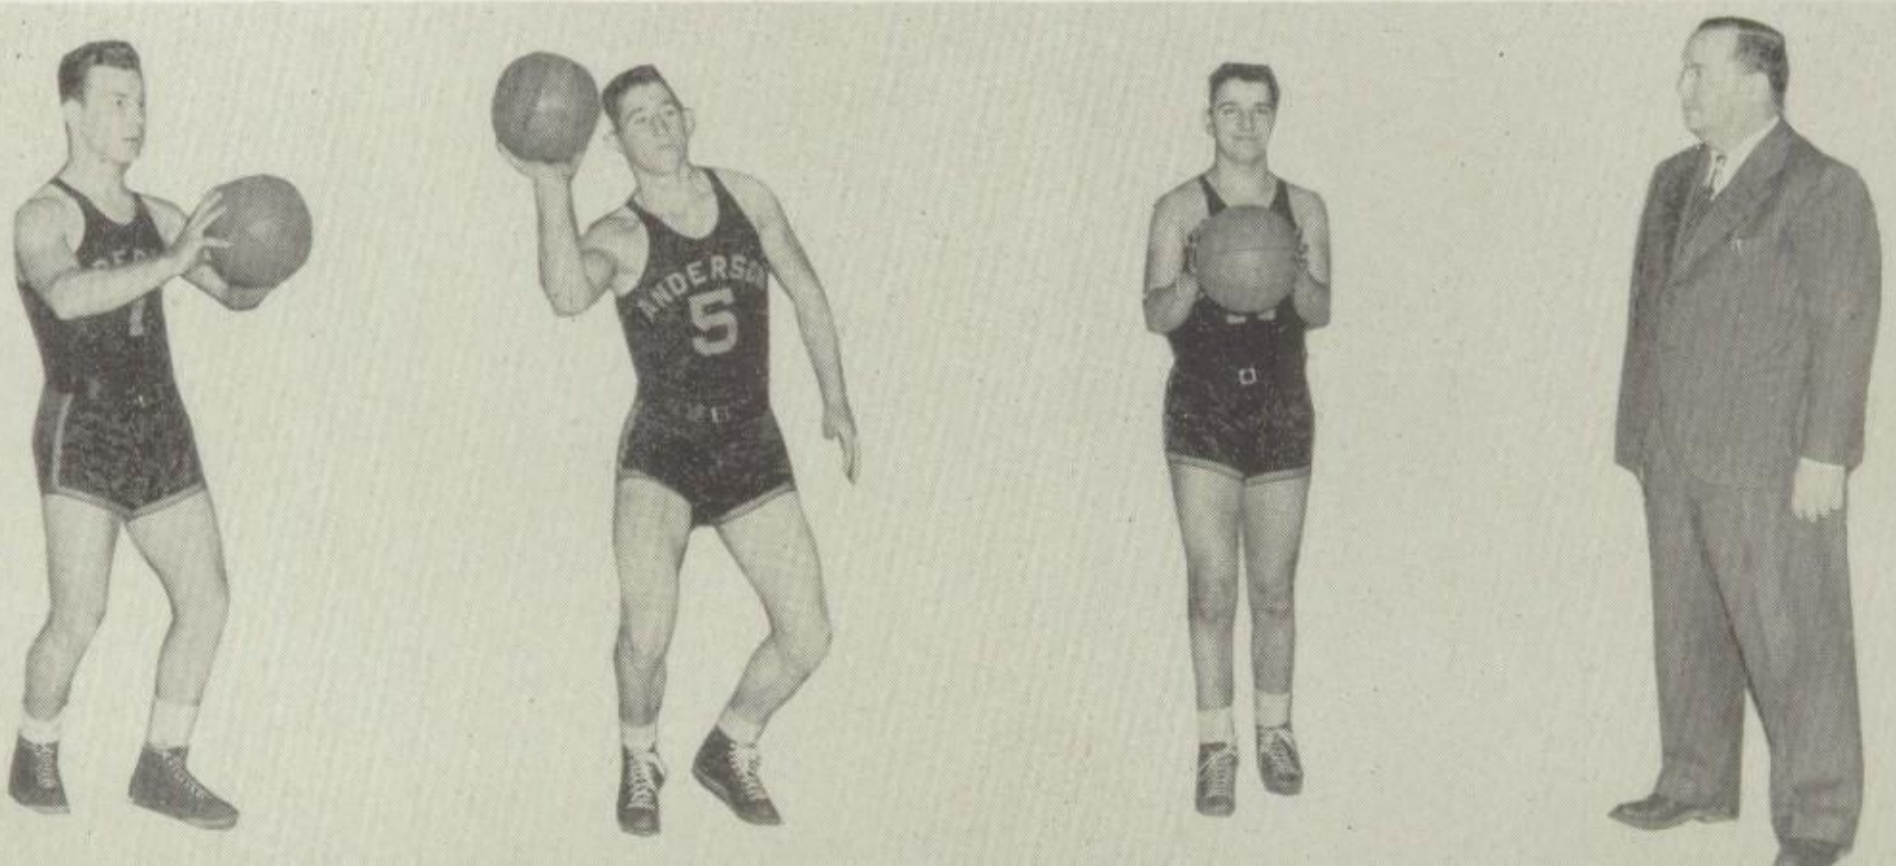

First Row: John Leslie, Albert Kline, Norman Kaufmann, John Burns, Ted Haller, Robert Wright, Mgr.;

Second Row: Charles Brown, Coach, John Steele, Harold Gaskins, Robert Muchmore, Gary Jolley, Jack Hawkins, Richard McKinniss, Ray Askew, Mgr.

Varsity Basketball

Coach Brown had the hard way to go during the 1946-47 basketball season as he had only Capt. Ted Haller back from the previous year's team. The team won five games while losing twelve during the regular season and won one before being eliminated in the double elimination tournament at Xavier Stadium.

Capt. Ted Haller led the team with 289 points. This was only two points under the Redskins record set by Milt Jackson in 1944, he had 291 points. Norm Kaufmann and John Burns scored 127 and 117 respectively.

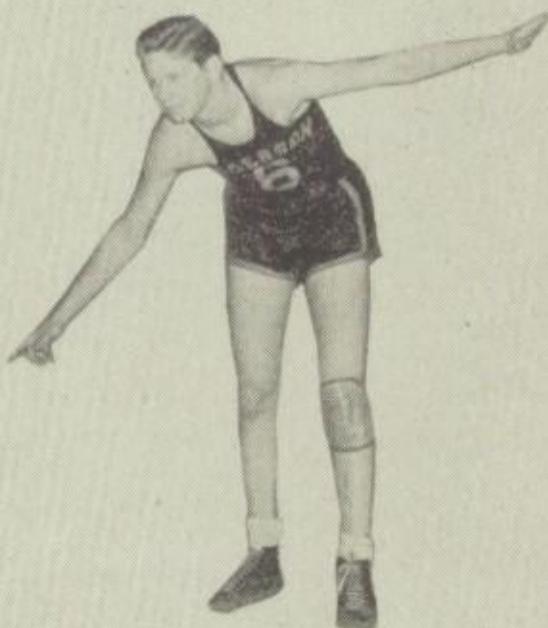

*First Row: Jerry Maddux, Mgr., William Krummel, Edwin Paschal, Lawrence Merten, Vernon Hawkins, Arlen Leslie;
Second Row: Charles Brown, Coach, Robert Oury, Kenneth Shaw, Jerry Rucker, Harold Taylor, Arthur White, Donald Kyle, Klayer Kline.*

Reserve Basketball

The Reserve team did somewhat better than the Varsity as they won seven and lost ten games. Since the tournament was moved to Xavier only the top two reserve teams in each league were permitted to take part. Our boys were tied for third place.

"Buck" Leslie, a freshman, led his teammates in the scoring column with 106 points. Lawrence Merten with 87 points and Donald Kyle with 45 points were second and third for scoring honors.

First Row, Kneeling: Albert Kline, John Steele, John Leslie, Dick McKinniss, Klayer Kline, Robert Beckman, Mgr.;
Second Row: Arlen Leslie, John Burns, Ted Haller, Norman Kaufmann, Robert Muchmore, Paul Strosnider, Mr. Brown, Coach.

Baseball

The 1946 baseball season closed with a record of five wins against three defeats. One of these defeats was a no hit game, in which the Redskins lost 2 to 0 against Sycamore.

The team was headed by Milt Jackson and Ted Haller as their performances on the field were outstanding.

Richard McKinniss, for the third consecutive year, backed up the plate, while John Leslie and Milt Jackson did the hurling. Paul Strosnider and John Steele alternated at first base with John Burns at second, Ted Haller at short, and Al Kline at third. The outfield was composed of Stanley Gaskins in left, Norm Kaufmann in center, and Robert Weiss and Robert Muchmore dividing the right field position.

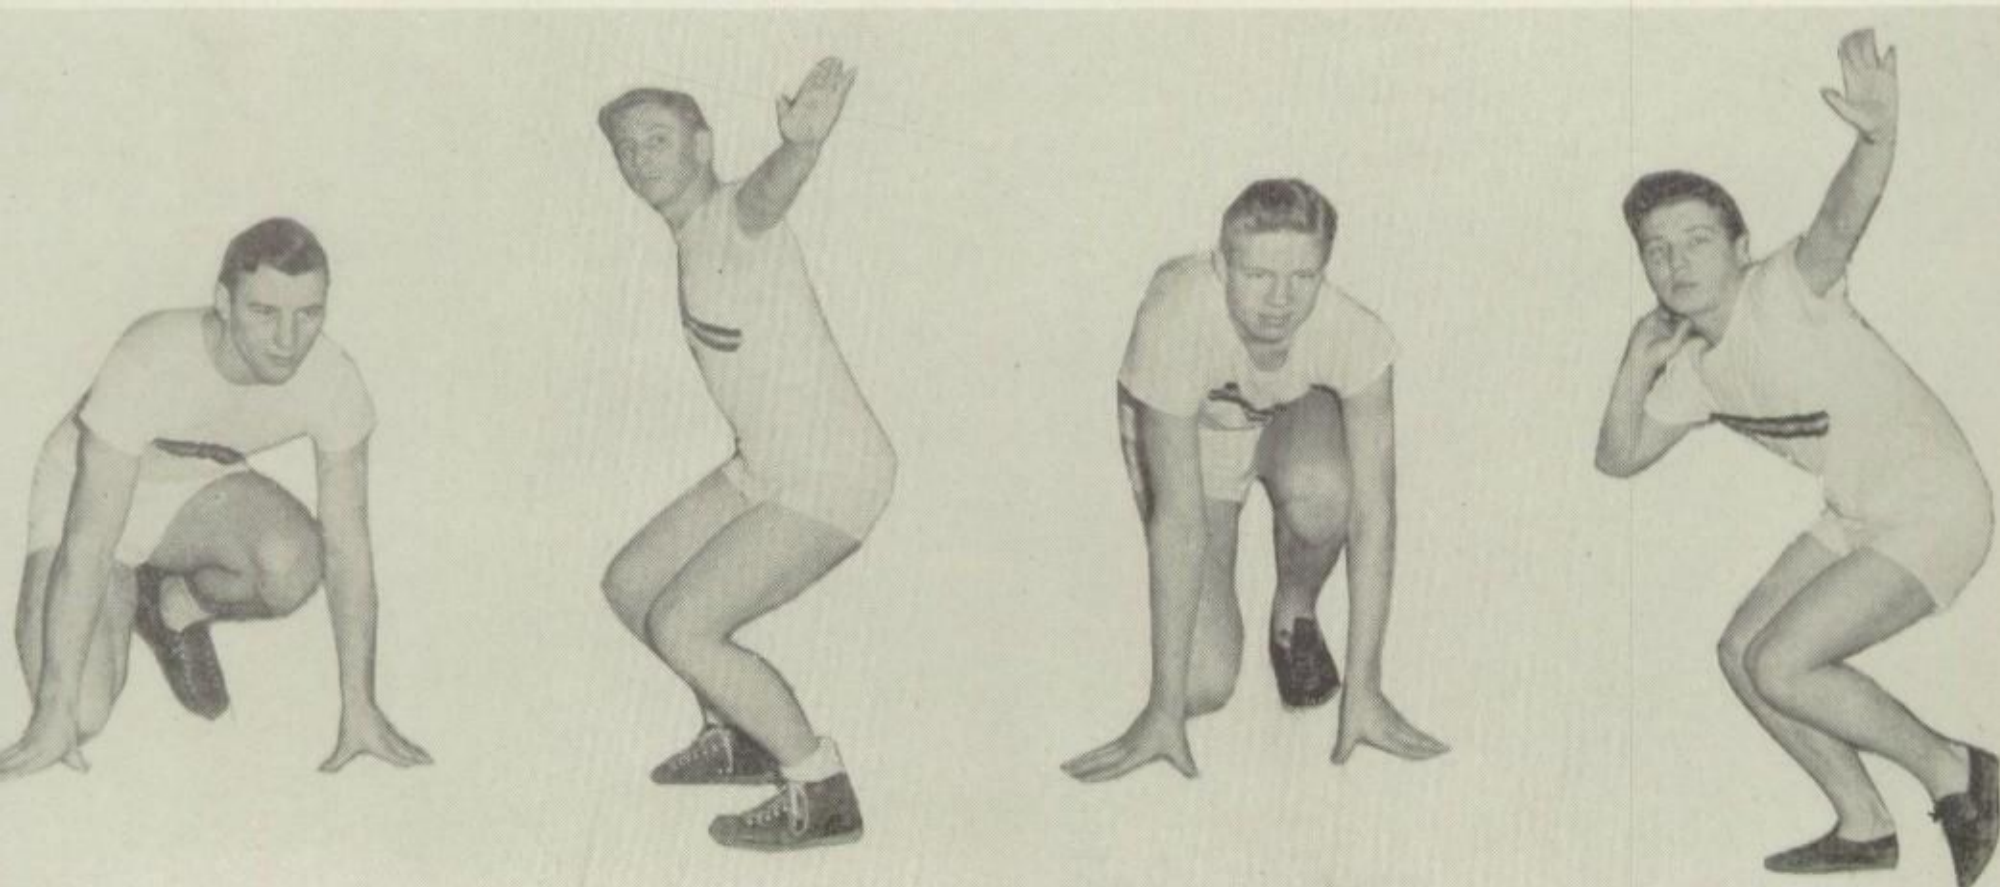

From the 1946 squad only Stanley Gaskins, Paul Strosnider and Milt Jackson will be gone, so Coach Brown anticipates a victorious season in 1947.

First Row: Dan Goepper, Mgr., John Steele, John Burns, Ray Askew, Charles McKinniss, Richard McKinniss, Bill Ott, Mgr.;
Second Row: Richard Herron, Coach, Bill Krummel, Ted Haller, Charles Emshoff, Gary Jolley, Robert Muchmore, Vernon Hawkins, Lawrence Merten.

The Track Team

The track season of 1946 was one of experimentation and experience. Built largely of freshmen and sophomores, the team improved consistantly through the season, winning their only dual meet, with Greenhills, by an overwhelming margin. The Redskins traveled every week, taking in the Ohio Wesleyan relays, the Miami Interscholastic, the Knights of Columbus relays and other leading track meets throughout the state. Although Anderson failed to qualify for the State Meet for the first time since track was started here, much was learned in competition against the finest athletes in Ohio. Outstanding performances were turned in by Steele, Burns, Jackson, Moore, Van Sann, and Harry Grunwald.

First Row: Joann Gallager, Margaret Phillips, Marjorie Ross, Ruth Shepard, Irma Brown, Joyce Clifton, Martha VanSaun, Ann Wykoff, Elaine Ayer, Bonnie Fithen, Anne Bolton, Ruth Locklear, Elaine Whitschger, Miriam Libbee, Grace Gilbert, Juanita Phillips, Virginia Young, Joyce Gibson, Jean Busch, Margaret Eyles, Eileen Dietrich, Betty Gaskins;

Second Row: Ester Gauselmann, Maria Lehman, Peggy Leslie, Lois Greer, Marilyn Taylor, Dorothy Bridges, Jacque Kuhn, Joyce Knippling, Joan Bowman, Janet Koppman, Joyce Whitaker, Ethel Jolley, Betty Sweeney, Virginia Staggenborg, Betty Gaffney, Marilyn Dumont, Margaret Mills, Joyce Duckett, Kathleen Gage, Marilyn Burns, Shirley Miller, Lucille Miller, Janet Wilson, Gloria Vann, Laverne Bridges, Judy Frey, Patti Gehl, Helen Lippolis, Anna Maria Zeil;

Third Row: Nancy Holbrook, Norma Egner, Betty Ridge, Carolyn Epping, Marianne Willard, Shirley Helfferich, June Jackson, Shirley Abbing, Alice Merten, Joan Maddux, Janet Brooks, Patti Fisher, Lorraine Young, Betty Beyer, Shirley Knippling, Dorothy Taylor, Shirley Greer, Joyce Agner, Betty Schultz, Jeanann Hopper, Etta Mae Taylor, Georgia Kay, Frances Allen, Betsy Schott, Louise Saner, Dorothy Gray, Eileen Taylor, Barbara Willard, Ruth Hollifield, Fay Jackson, Joyce Jackson, Dolores Lohstroh.

This year the Girl Athletic Association was under the leadership of Mrs. Susan Shields. The girls took part in bowling, swimming, horseback riding, basketball, hockey, and track events during the past year.

Betty Ree Gaskins, Margaret Mills, Patti Gehl, Jean Ann Hopper, Shirley Greer.

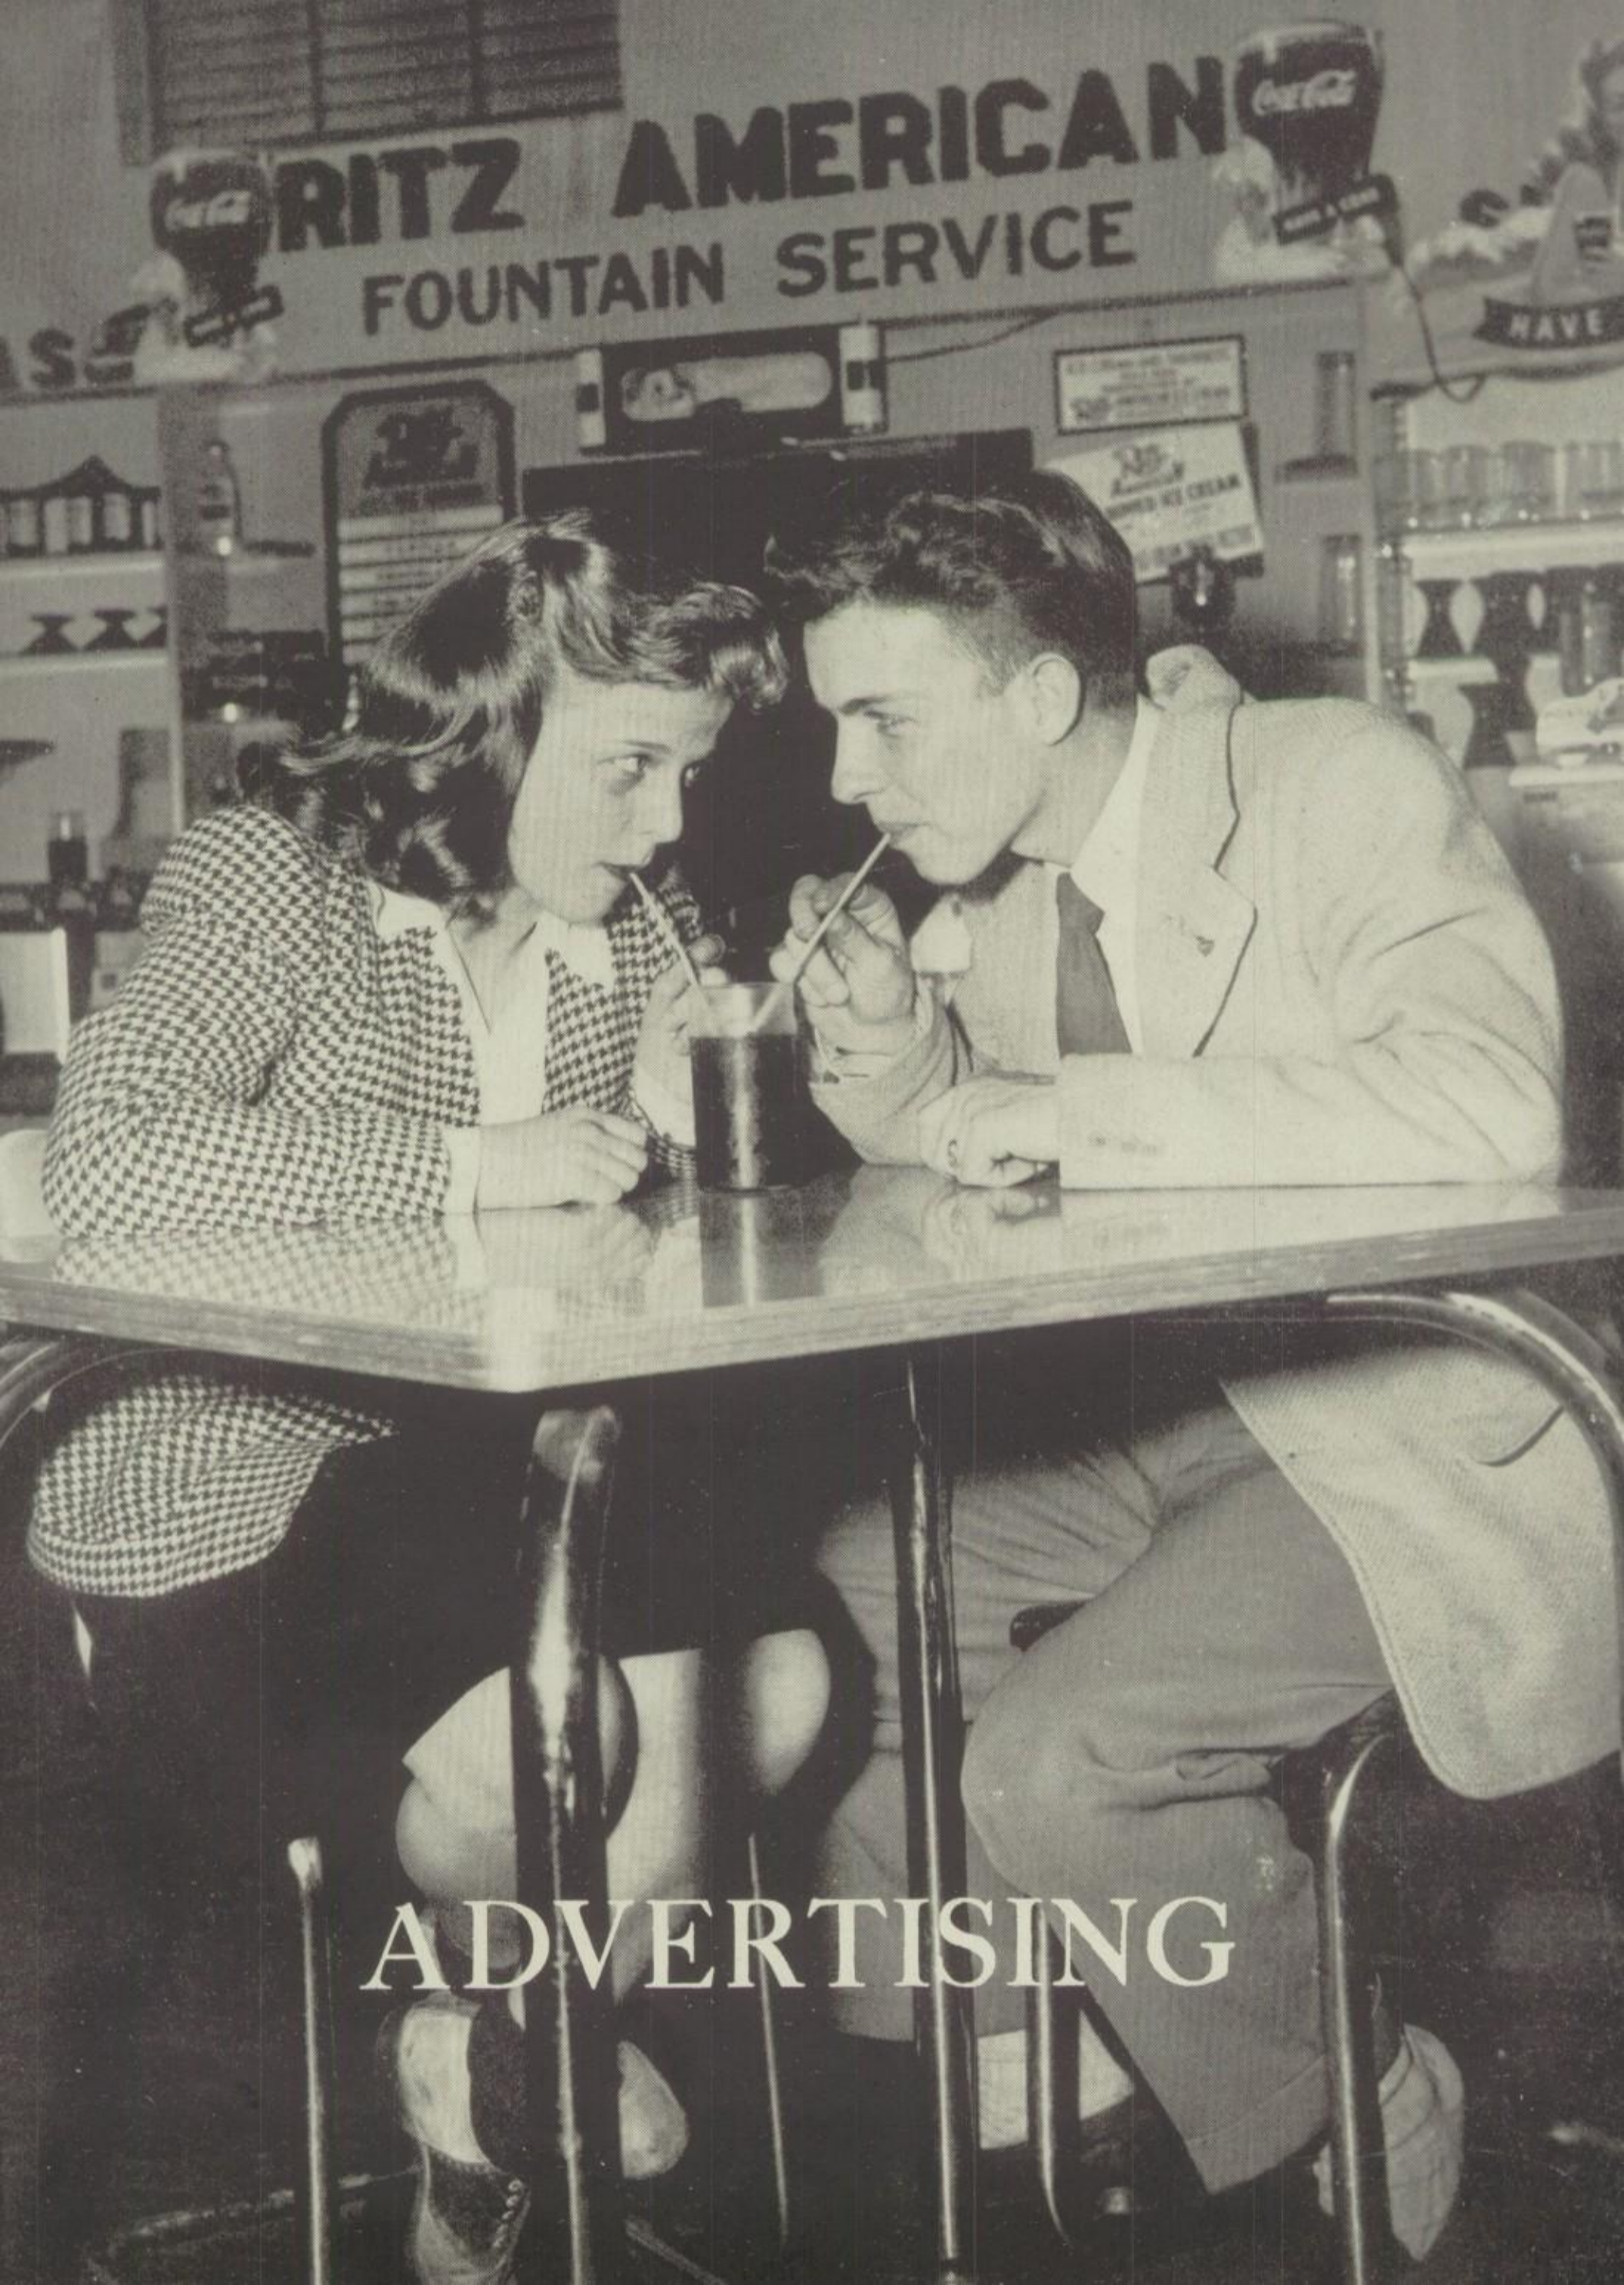

Varsity Cheerleaders

The cheerleaders, as well as the team, are important. The pep of the cheerleaders and the crowd with them helps to urge the team on. There were five cheerleaders this year. Shirley Greer and Jean Ann Hopper were co-captains with Betty Gaskins, Margaret Mills, and Patti Gehl completing the squad.

Anderson also had a squad of reserve cheerleaders including Janet Koppman, captain, Ann Bolton, and Bonnie Fithen.
